Rationale for Proposed Boundary Changes: There are no proposed changes to Brent's attendance zone. While they are over-capacity, there are few elementary age public school students currently living in the boundary.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Brent ES is zoned for and has a right to attend Jefferson MS and Eastern HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Jefferson. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
